

The Online Library Law Induction

Part 1: Introduction to the Online Library

<http://onlinelibrary.london.ac.uk/>

Introduction to the Online Library

Access the Online Library at: <http://onlinelibrary.london.ac.uk/>

The Online Library is divided into five sections:

- **Home:** search **Summon** the journals search engine, access **quick links** to support guides, read **hot topics**, and contact the **enquiry service**.
- **About the Library:** discover more about the Online Library, and it's services.
- **Study Programme:** Select your course **study programme gateway** to access your course specific databases and support materials.
- **Find Resources:** Search **Summon**, access **databases**, **e-books** and **journals**.
- **Student Support:** **help** using the resources, **frequently asked questions**, **information skills guides**, **database quick start guides** and more...

Tour of the Laws (UG) Study Programme Gateway

1) Select your study programme.

2) Select your course from the list, or from the courses menu.

Select your Study Programme

Please choose your study programme to see which resources you can access

When you select your study programme a list of databases you are able to access through that programme will be shown along with other useful resources suggested by your programme.

You should only select the study programme you are a member of as if you select a different one you may not be able to access all the resources shown.

What if my study programme is not listed?
If your study programme is not listed please select All Other Courses .

Or select your course from the courses menu

Other Courses

Or select from below

Select your course from the list

- Applied Educational Leadership & Management
- Business Administration
- CeDEP
- CeFIMS
- CIS & Creative Computing
